

HOTSPOTS & FIBRE  
INTERNET

## Block C

### Get Connected

Block C has Fibre based broadband, with a Wi-Fi router installed inside all units, allowing all residents to obtain Internet access using any Wi-Fi capable device.

Each tenant at Block C receives 1GB of data included in their rent or they can decide to upgrade this to a discounted uncapped Fibre connection at R300 per month per tenant.

Please review the options, and send an email to [registrations@wishnetworks.co.za](mailto:registrations@wishnetworks.co.za). We will send more information to get you connected. In the email, you need to include your building's name (Block C), your apartment number, your full name and surname as well as the option you are interested in. One of our friendly agents will then reply to your email during business hours to assist.
