in Association with Educata

Veritas Alumni Annex

Since 1978 Veritas has grown to become the leading male residence on the UFS Bloemfontein campus. During 2021 House Veritas Alumni joined Educata and in partnership they now offer affordable, safe accommodation at Veritas Annex within easy walking distance to campus to the House Veritas Residence members. All this at one premises: private rooms in Educata Bell building and Bachelor units at Arndt 6.

We neighbour the Amelia Ladies residence and share in social activities, RAG and many more with the ladies of Amelia.
